

GARDEN STATE RAW MILK

A campaign to make safe, locally-produced raw milk and raw milk products from well-managed, inspected dairies legally available for purchase in NJ.

In the state of New Jersey it is illegal to sell raw milk. Our neighboring states of New York, Connecticut and Pennsylvania all permit the sale of raw milk. It is important to show a strong consumer desire to purchase raw milk in the state of New Jersey. Your signature on this petition will help us demonstrate this demand. Thank you.

I the undersigned support the right to choose to purchase raw milk from New Jersey dairies. I am a resident of NJ 18 years of age or older
